DETAILED ACTION

Reasons for Allowance

1. The following is an examiner's statement of reasons for allowance: In response to the final office action dated July 28, 2004, regarding claims 2, 3, 20 and 22 applicant submits that the mask opening 88 (88a) of fig 4 does not support or read on the claimed limitation, as discussed in page 2, lines 11-20 of Applicant's remarks. Additionally, as stated in page 3, lines 1-21, page 3 of the last paragraph argues that modifying Hashizume by Enomoto one of ordinary skill in the art would not have motivated to combine the reference in the manner suggested by the office action, as also indicated in page 3 of the last paragraph and in page 4, lines 1-3. Applicant's remarks have been carefully reviewed and believe to be persuasive.

Therefore, the final office action has been withdrawn. Claims 2-22 are allowed for the reasons stated above.
